PETITION UNDER C.F.R. § 1.137(b) TO REVIVE AN  
UNINTENTIONALLY ABANDONED APPLICATION

MAIL STOP: PETITIONS  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Pursuant to 37 C.F.R. § 1.137(b), applicant hereby petitions to revive United States Patent Application Serial No. 09/423,131, which became unintentionally abandoned on April 29, 2006. Enclosed is a Credit Card Payment Form in the amount of \$1,500.00 as set forth in 37 C.F.R. § 1.17(m) for filing this Petition under 37 C.F.R. § 1.137(b) to revive an unintentionally abandoned application. The Commissioner is hereby authorized to charge any additional fees or credit any overpayment in regard to this matter to Deposit Account No. 23-3178. Triplicate copies of this authorization are enclosed.

Statement of Unintentional Abandonment

The above-identified patent application became abandoned unintentionally on April 29, 2006, since a response to the Office Action dated October 28, 2005 was not filed prior to that date. A complete response (attached herewith as Exhibit A) was intended to be filed on April 28, 2006. The response included a Request for Continued Examination, the required petition and fee for the extension of time, and a response to the Office Action dated October 28, 2006. My assistant did, in fact, submit the documents to our outside contractors who perform much our faxing operations on Friday, April 28, 2006 for faxing to the central fax filing number of the patent office that same day. However, the response was not faxed by those outside contractors until Monday, May 1, 2006. The error was not discovered until today, May 8, 2006, the date of the filing of this petition. The entire period of delay between the due date for the filing of the response (April 28, 2006) and today (May 8, 2006) was unintentional.

In view of the foregoing, applicant respectfully requests that this Petition to Revive an Unintentionally Abandoned Application be granted.

Dated this 8<sup>th</sup> day of May, 2006.

Respectfully submitted,
